

Winter STEM Camp

Our day camp program was developed to help students get a head start on PTECH learning. This camp is designed for students that are highly motivated to learn about Science, Technology, Engineering and Mathematics (STEM). Students need no prior knowledge or experience. We welcome parents to stay and participate with their children while learning about PTECH Program coming to your community. As for catering, we will provide snacks, lunch and beverages. We are super excited and hope that you're able to attend!

Who can attend: This camp is opened to any Grade 7-8 Students from Unama'ki.

Where: Maupeltuewey Kina'matno'kuom - 171 Tupsi Drive, Membertou, NS, B1S 3W8
